

Dear IGS Supervisors and Students,

WELCOME BACK TO THE NEW SEMESTER!

Especially warm greetings to the 63 new students who are joining us in the Aug 2015 admission intake!

That was a “bumpy” start at the freshmen orientation – playing bubble soccer! We hope you also enjoyed the barbecue, games, and the opportunity to build lasting friendships. See how much fun you had in this video! Click [here](#) to view!

We have another visual feast for you. Together with the IGS Student Club, we bring to you memorable moments of the past year in this video, which encapsulates the IGS spirit of interaction and dynamism. Click to enjoy!

The IGS Student Club will continue to organise exciting programmes to enrich campus life, including volunteering opportunities where you can give back to society.

*As Albert Einstein said,
“Play is the highest form of research.”*

May you enjoy teaching and learning from each other, as you discover new experiences in this academic year.

Happy 50th National Day!

Best wishes!
IGS Dean, Programme Chairs & Team
